Executive Board Minutes 12-13-09

The NAA Executive Board met at the home of Eleanor Hoefle on Dec. 13, 2009. Seven members were present including two executive Board members.

We discuss the 2010 calendar of events.

We discuss a fee (\$10 to 15 per year or for three years per person) to for having your personal bio and art work on the website instead of raising the dues, and possible selling advertising space. This will cover the three year cost we have paid.

Volunteers were asked what they would do for NAA.

Joan Frericks was the first to raise her hand. If everyone one would volunteer as fast as Joan we would not have any problems getting things done.

Glen Krah is the Hazelwood Coordinator. He is going to check when the Hazelwood Art Fair will be.

Bette Dearing will continue doing the 50/50 and will be the Spring Workshop Coordinator. Glen will be checking with his art teacher Jean McMullin about her availability and cost to do the Spring Workshop

Pat Jackson will be working with the Paint-IN team to see how we can incorporate a Community Service along with the Paint-IN.

Rosa O'Leary will be getting speaker/demonstrator for our meetings.

Joan Frericks will continue working at the Gallery.

Maggie Bauman will continue working on the Newsletter.

Judy Repke will continue working with the Website.

Refreshments were enjoyed by all, Eleanor put on a good spread maybe you should attend next year.
